**Production Design Products, Inc. Appoints Nancy Brant as Vice President of Sales.**

Production Design Products, Inc. has appointed Nancy Brant as Vice President of Sales. She will head up worldwide sales management for the firm. With more than ten years of laundry equipment sales experience, she has worked internationally and domestically with direct sales as well as with the management of dealer networks. This background makes her uniquely suited to further Production Design Products marketing and sales initiative to build a solid base of global business. She will promote all aspects of the Production Design brand and provide key input in identifying new markets for business development.

Ms. Brant is a graduate of Johnson & Wales University where she earned a Bachelor of Science degree in Marketing. She also holds an MBA in Executive Management from the University of Rhode Island.
